

ALLISON VERDOUW

GRAPHIC DESIGNER AND ILLUSTRATOR.

Ambitious and always ready to learn. Experienced in Computer Graphics and have an eye for detail. Looking for an environment that will challenge my skills and creativity.

EDUCATION

Purdue Polytechnic, New Albany, New Albany IN, August 2019- 2023

- Bachelor of Science, Computer Graphics Technology

Ivy Tech Community College, July 2014- May 2018

- Prerequisites

Floyd Central High School, Floyds Knobs, IN, Core 40

EXPERIENCE

Chick-fil-a, Jeffersonville, IN, 2020- PRESENT

Front of House Drive-Thru

- I have experience as a front-of-house member of staff, working with customers daily and perform as quickly and as accurately as possible.
- The company trusts me to handle money securely during customer transactions.
- I always show up to my shift on time and ready to work.
- Through my work in customer service, I learned how to operate in a fast-paced and stressful environment.

Salon Gautier, New Albany, IN, 2022

- In a group project, we aided a small business in creating a website.
- In this project, I designed a logo for the site, and the layout for the Services and Head Spa.
- I gathered the client specifications for the website.
- I arranged meetings between the client and our group.
